

COVID 19 Protocols and Precautions

Lets have a great time riding snowmobiles this season in spite of the Pandemic. That said, let us be cautious and realize your and our safety and health are of foremost importance.

We are excited about getting you out on snowmobiles in the pristine air enjoying your scenic National Forest and the fantastic views available in the Stanislaus National Forest.

To do this safely during this Pandemic please follow the following protocols.

1. If you are sick or have been recently exposed to someone who has tested positive for Covid 19, cancel or postpone the snowmobile rental or rentals.
2. When you enter our office be sure to be wearing a face mask, including coverage of your nose. No mask, no entry.
3. Bring your group to one of six different and separate counters to fill out the paperwork, release of liability, etc.
4. As always we will furnish a disinfected helmet, but you must furnish your cold weather clothing, footwear, gloves, goggles, face masks, balaclavas, etc. Be prepared.
NOTE: We do sell gloves, goggles, face masks and balaclavas
5. The snowmobile orientation at our Lake Alpine trail head, masks and social distancing between groups will be maintained.
6. To save time and minimize exposure, please download, fill out and bring our Release of Liability form found on our website.
